

Community Council Meeting Minutes from December 12, 2018

Those present for this meeting were: John Hughes; principal, Gayla Luke; secretary council members: Rebecca Hennes, Mary Kava, Natalie Olsen, Pam Howard, Steeny Larsen Heather Orgill and Janakae Magann.

Meeting was opened by welcoming everyone including new members then moved on to selection of new SCC chairperson. Natalie Olsen was nominated. With no other nominations committee voted on and it was a unanimous agreement that Natalie assume this position. Janakae Magann was appointed as vice chair.

Next on the agenda was the report and review of the previous year's plan. It was discussed and stated that last year's goals were reached. Academic performance did improve in math and language in all grade levels.

Other factors that have been implemented in the school and will aid in the success of these goals for the future are-- smart lunch, student mastery and remediation time.

Next on the agenda was review of our current plan and budget review. We discussed that our intensive aide Suzette Roberts had resigned which brought us to the fact that this would free up approximately \$4000.00. Several ways to redirect this money was talked over. The council was in agreement that the best use of this money for our school would be to purchase additional chrome books for the classrooms. This would require an amendment to our current plan, and Mr. Hughes will take the proper steps in handling this.

Other items discussed in this meeting were:

- Review and approval of Title I documents.

- Dates for future meetings are: January 16th, March 27th, and April 10th.

- Looking into the future—what goals we would like to keep, change, add to etc.

- Parent Teacher Conferences- we will have 1st and 3rd term parent teacher conferences and because we are a title I school we will host family nights the 2nd and 4th terms.

- The committee also approved the school improvement plan and the Parent-School Learning Compact.

Meeting adjourned.
